COVERED ELECTRONIC WASTE (CEW) STAKEHOLDER WORKSHOP

INFORMAL WORKSHOP ON A RULEMAKING UNDER THE ELECTRONIC WASTE RECYCLING ACT

Tuesday, December 20, 2016

1:30 p.m. to 4:00 p.m.

Byron Sher Auditorium Cal/EPA Headquarters Building

1001 I Street, Sacramento

This informal workshop on rulemaking is being held prior to the initiation of formal rulemaking under the Electronic Waste Recycling Act (EWRA). The workshop will cover a range of affected areas within Chapter 8.2 of Division 7 of Title 14 of the California Code of Regulations, more commonly known as the covered electronic waste (CEW) recycling program.

The impending rulemaking will serve as a vehicle to finalize two existing emergency regulation packages that address: 1) the assessing of civil liabilities pursuant to the authority granted under Public Resources Code (PRC) 42474, et al, and 2) the management of treatment residuals derived from the dismantling of CEW. In addition to other general edits, the proposed rules are also intended to clarify aspects of definitions, applicability, documents and records, net cost reports, applications, prohibited activities, appeals, requirements for collectors and recyclers, claims, cancellation, and manufacturer payments.

The format for the workshop will feature CalRecycle staff presentations providing the history of rulemaking under the EWRA and an overview of the proposed changes to existing rule. Staff will then moderate a detailed exploration of proposed edits and amendments. Stakeholders will be encouraged to comment and question.
